Idaho

Premium Calculation Instructions

- Step 1. Determine the rate group by referring to the Eligible Businesses list located on pages 2 and 3.
- Step 2. Identify the applicable base rate using the Base Rate table on page 4. The base rate is determined by the combination of territory (based on ZIP Code Sectionals) and Rate Group.
- Step 3. If optional coverages are desired, add additional premiums located on pages 4 and 5 to the base rate to calculate the premium total.

Note: Amounts should be rounded to the nearest dollar.

PRODUCTION GUIDE

The RLI Home Business Insurance Program is designed for small businesses which are operated out of a person's home. These entrepreneurs may find it difficult to obtain appropriate and affordable insurance through a conventional commercial lines approach. Yet the homeowner's policy on the residence normally excludes any losses arising from "business pursuits."

The types of enterprises specifically targeted are individuals engaged in the retail distribution of products and/or services with operations based from their place of residence. **Professional Liability is excluded on all classes, except Barbers and Beauticians.**

NO BINDING AUTHORITY IS EXTENDED.

Eligibility

A Home Business includes a retail or service business operated from the insured's place of residence and having the following characteristics. It must:

- Be operated by the insured and/or another immediate family member who resides in the insured's household.
- Employ no more than ten (10) employees, other than independent contractors or distributors.
- Be incidental to the occupancy of the building as a private residence.

2nd Location Eligibility

Risks may **store** BPP at a second location, but may not operate their business from a second location. The following are examples of an eligible second location:

- Insured rents or owns a second home.
- Partnership/Corporation – Two owners each working from their own home. (Note: A third location may be added by endorsement with underwriting approval.)
- Storage Units (Maximum Size: 250 Sq. Ft.)
- Outbuildings located on the insured's premises but more than 100 Ft. away from their home (Any size).

Risk Size Limitations

Risks exceeding the size limitations listed below will be declined.

- A maximum of \$100,000 business personal property value.
- A maximum gross annual sales/receipts derived from the business activity of \$250,000 for sales of merchandise **or** \$500,000 for a service business.

Underwriting Guidelines

All risks must meet the following Underwriting Guidelines.

- Building coverage is NOT available from RLI under this program.
- The limit of insurance for business personal property must equal 100% of the replacement value.
- The applicant does not own any business under the same legal name as this business which is operated at a different location.
- The dwelling cannot be located within 1,500 feet from the seacoast on the Gulf of Mexico or the Atlantic Ocean. (N/A in RI)
- The applicant does not repackage food or personal care products to be sold under their own label.
- The applicant is not involved in the sale or manufacturing of explosives, propellants and/or use of flammable liquids.
- The applicant does not install any products, excluding installation of computer systems, office equipment, locksmith devices or draperies.
- There have been no more than two (2) claims of any type, related to the business operation, in the previous three (3) years.
- There has been no single claim, related to the business, for more than \$25,000 in the previous three (3) years.

Optional Coverages

- Money and Securities (up to \$10,000 on premises/\$5,000 temporarily off premises).
- Additional Business Personal Property (in excess of the \$5,000 automatically provided).
- Optional Liability Limits of \$500,000 and \$1,000,000 (\$300,000 automatically provided).

- Jewelry and Watches Increased Limit Coverage – An additional coverage that modifies the property limitation in the Businessowners Coverage Form BP 00 03 which currently limits coverage per item to \$100 or less. (BOP 429 – Limitation – Business Personal Property increases the limitation to cover items \$250 or less. A \$20 service fee is charged to add this endorsement).
- Identity Fraud Expense coverage – This optional endorsement provides \$25,000 aggregate limit for identity fraud expense coverage and a \$5,000 aggregate limit of coverage for additional advertising expenses incurred by the named insured to generally restore the insured's reputation as a result of identity fraud.
- Garagekeepers coverage – This coverage is available for insureds who temporarily take possession of customers' autos in the normal conduct of their business. It provides comprehensive and collision causes of loss at \$30,000 and \$60,000 limits on the following basis: Legal Liability, Direct coverage – excess (excess over customer's policy), or Direct coverage – primary.
